Duxbury Free Library,

Duxbury, Massachusetts.

Dear Sirs:

Mr. Henry L. Shattuck, Treasurer of Harvard College, asked me to write and suggest that someone representing the Library make a list of the books at the Pine Hill estate of the late Georgianna B. Wright in Duxbury which, in accordance with the eleventh article of the will of Georgianna B. Wright, are bequeathed to Duxbury Free Library upon the termination of the trust. Mrs. John S. Wright and Harvard College have made arrangements to terminate this trust and upon its termination the books in question will go to the Duxbury Free Library. If you will have such a list made and send me a copy, I will be able to prepare a receipt to be signed by someone authorized to act for the Library to be given Mr. Harold S. Deming, trustee under the will, when the books are delivered. Will you also let me know who will be authorized to act for the Library in the matter and sign the necessary receipt for the trustee. The trustee has advised Mr. Studley to allow the representatives of the Library to go to the Pine Hill property and list the books at any convenient time.

Very truly yours,

JC:MG
